Once again, Challenge Films is offering those amazing –and versatile –  
**CHEESECAKE MIXES** for sale; the proceeds will offset the  
 costs of entry fees and marketing costs of our first feature film, *Henry's Future*.

If you've been to any of the local fairs, festivals, bazaars, "Taste of...", etc., you have probably tasted these yummy desserts. The secret is the mix –allowing you to make a variety of desserts right at home! All it takes to create the final product is 16 oz of cream cheese (2 blocks) and a 12 oz tub of whipped topping – and in only 30 minutes – you have a mixture of possibilities! For cheesecake, simple spread the mixture in a pre-made cracker or crumb crust. You can make truffles, dips and even use some of the completed mixture as a spread for bagels or toast. With over 20 mouth-watering flavor choices, the possibilities are endless! Raspberry truffle! Pina-Colada fruit dip! Chocolate mouse spread over brownies! Cherry Almond spread on a toasted bagel!

These Cheesecake mixes make great gifts (wedding showers, new home, birthday present for someone who loves cooking, etc.), and are the perfect solution to that summer party/picnic question: "what should I bring"? Guests love something cold and special on a hot summer day!

**BONUS:** Buy 5 mixes and get a **FREE RECIPE BOOKLET** - containing ideas, tips and suggestions for cheesecake and other uses for the mixes.

Help give "Henry's Future" a future. As always, we thank you for your support!
